

# 2023 Kids in the Garden

at Alta Vista Botanical Gardens

Classes are from 10 am to noon unless specified

*February 11 - Nature Photography - opening our eyes to nature's beauty, even in winter! Bring a phone or camera and enjoy a walkabout with Farmer Jones*

*March 11 - Soil, Composting, and Spring Planting - what are the different kinds of soil? How can we make soil by composting?*

*April 22 - Earth Day Festival 10 am to 3 pm - FREE event children's nature activities, music and dance, plant sale, BBQ lunch for sale, vendors - 9 am Family Fun Walk for Earth Day*

*May - NO CLASS*

*June 10 - Recycled Art - make creative projects using "saved" trash*

*July 8 - Birds, Nests and Feathers - learn about our feathered friends and their special adaptations that help them survive*

*August 12 - Water Is Wonderful - how do we use water? How can we save water? How can we have fun with water?*

*September 9 - Making Music - what makes music work? Make instruments and march around the Garden with us*

*October 14 - Fall Fun Festival 10 am to 3 pm - FREE event - scarecrow contest (make at home), children's Fall activities, plant sale, vendors*

*November 11 - The Magic of Autumn: Trees and Leaves - What do trees give us? What do leaves do? Why do leaves change color? What happens to leaves after they fall?*

*December 9 - Stone Soup and Breadsticks - share the story, make the soup, and roll out breadsticks*

All class topics are subject to change
